📁 Portfolio 📍 Vadodara, Gujarat, India

Profile

I am currently pursuing a B.Tech degree in Computer Science with a specialization in Cyber Security. My passion lies in ethical hacking and Security Operations Center (SOC) operations. I'm building a strong foundation in Vulnerability Assessment, Penetration Testing, and Security Information and Event Management (SIEM) solutions. I'm dedicated to enhancing digital system security.

Professional Experience

Cybersecurity Intern, Senselearner Technologies Pvt. Ltd 📄 06/2023 – 08/2023

- Explored cyber threats, incident response, risk management, and compliance.
- Contributed to collaborative projects during the internship.
- Gained a holistic understanding of cybersecurity.

Future Ready Talent Internship 04/2023 – 05/2023

- Learned in-demand Azure Cloud & Security skills aligned to industry needs
- Earned a certificate from Microsoft AZ-900, PL-900, AI-900
- Received a certificate from Microsoft and NASSCOM
